## REVIEW OF FINANCIAL ACCOUNTING INTERNATIONAL FINANCIAL REPORTING STANDARDS 9TH EDITION

- Plimpton doesn't pretend to be anything other than what he is: a privileged amateur of questionable skill who is afforded the opportunity to play in several west coast pro-ams with various professionals. He relates many anecdotes, both first and second hand, several of which are hilarious insights into a tour which hadn't, at this juncture, reached the sophistication which characterizes its status today. Plimton's typical self-effacing style makes this an enjoyable read.

- One thing I especially like about this cookbook, in addition to the great recipes, is the vintage look of the pages. Desserts are pictured in what I think of as old watercolor illustrations. Very retro looking. Fun to look at and cook with. Over 400 recipes.
