REVIEW OF ORACLE 11G PL SQL USERS GUIDE AND REFERENCE

- I read this book first when I was 17 (now 23) and I have not been the same since. I have read and re-read this book. It is what it is. It's a violent call to repentance and seeking the Lord. it means to get in your face and challenge your indifference. Of course it needs to be balanced with other books, (namely books on grace).This is meant to start a fire in you, not to give some theology on how to pray. If you're reading it as a teaching book, then you must compliment it with "Bridal Intercession" by Gary Wiens.Read this book on your knees. It's meant to go through you.

- I received what I ordered, on time, to the correct ship address and in good condition.
