REVIEW OF AXURE FOR MOBILE SECOND EDITION

- What do you say about a book whose crowning literary moment is the description of an 89-year-old man taking a dump in the bathroom? Then there's this lovely image of a horse: "A long, slow fart

flabbered from the proud black lips of Dan's hole, and the smoke from it too trailed off in the air." Curiously, intellectuals praise The Heaven of Mercury for how it "illuminates every accurate detail" and delivers "just-right words." The Heaven of Mercury is part love story, part murder mystery, and part taste of the South. These parts combine into a dull and dreary text. The love story offers no payoff to the reader. The murder mystery fails outright. It is so loosely developed, there are no clues for the reader to pick up. In the end the omniscient narrator just tells some back story to explain the mystery. As for the taste of the South, it is bland at best. The Heaven of Mercury does make a solid showing as a feminist text. In this book the men are weak, the women are strong. Finally, The

Heaven of Mercury is yet another example of how the academic mind disdains plot. Here the story is not told in a linear fashion. A character who dies in one chapter may be alive in the next. This book of 333 pages piddles along to a dubious crescendo (the bathroom scene) near page 200, then for the next 133 pages the author fills in gaps left by the first 200 pages.

- Many dictionaries claim to contain beginner vocabulary, but include far too many words, as well as many words that are well into the intermediate and even advanced level. This dictionary contains a truly beginner's vocabulary, in volume and selection. - ESL Book Review
