REVIEW OF TAKE YOUR GLORY LORD WILLIAM DUMA

- In a nutshell - this book desperately needed more diligent editing. The landscape descriptions went on and on and on, over and over and over again. The recollections of Ayla's background were also repeated too frequently. How about just saying, "they gathered around the fire and shared her story" nuf said!Should you read it? Sure - if you have read the other books.Will you find yourself skimming a lot? You betcha.Am I going to read the next in the series? Sure, but probably not before it hits the library.

- I am a huge fan of the Auel series. I was disappointed with this sequel. Not only was there a lot of repetition but no controversy or passion that made the other four books excellent.I wanted controversy not a prelude to the 6th book.
