REVIEW OF TAIHO ENGINE BEARING

- LOVE the book, Women Who Run with

the Wolves, and have listened to some of the tapes of that book on Clarissa Pinkola Estes' tapes, "Theatre of the Imagination". I was hoping to get the CD or tape version of Theatre of the Imagination, Vol. I, but it doesn't appear to be available through Amazon, so thought I'd try this. This was published 3 years before the book, Women Who Run with the Wolves, and it is certainly less polished than "Theatre of the Imagination". She just seemed to wander a bit. I wouldn't recommend it to people who love the book, but my friend loved it!

- This is a really funny book! Anyone who likes humor will love this book. You'll stick to it and finish in a day!
