REVIEW OF BUSINESS PLAN ON POULTRY FARMING IN

BANGLADESH

- Great read; couldn't put the book down. After reviewing other books by Sidney Sheldon, I saw there was sequel which is Memories of Midnight which also is a MUST READ. Look forward to reading more of Sidney Sheldon's books.
- These positive reviews must have been planted by someone. So amateurish I won't bother to go into detail. Cannot imagine a person of even modest literacy reading more than ten pages.
