REVIEW OF INTRODUCTORY HORTICULTURE 7TH EDITION ANSWER KEY

- I think my title sums it up. If you are a professor deciding on a book to use for your class, PLEASE do not use this one. Thank you.
- This book does an excellent job of

explaining the various types of keno tickets. I was disappointed to find quite a few spelling and grammatical errors. I

would recommend the book for beginners and for those players who are wanting to learn about "way" and "combination" tickets.
