REVIEW OF ECONOMICS SECTION 1 ANSWERS

- This could have been a wonderful book or romance and coming-of age. But it fails. Is it a romance? No, because it gives nothing to base the romance on other than curiosity. There is no romantic development. Is it a coming-of-age novel? No, because there is no character development for the princess. Also, why are Hasan's passages in the second person? Who is talking to him? Not worth the time to read.
- I never read historical fiction but the book was recommended by a valued friend who is a voracious reader so I reluctantly decided to give it a try. It was probably the best book I had read in several years. Outstanding!
