## REVIEW OF DIPLOMA 1ST SEMESTER MATHEMATICS PAPER DTE

- Such a classic, an epic novel for all ages. The Hobbit tends to skip over a lot of details, but this makes it easier to read and easier to focus on the overall story. I like the inclusion of songs (adds

more atmosphere), and the playful tone of this story.

- The first book written about Middle Earth seems a little above my likes or dislikes "if you take my meaning..." (even if it is the 50th time) In light of the movie version soon to release -- a must read or reread.
