REVIEW OF MERCATOR XXI TEORIA E PRATICA DO MARKETING

• I LOVE ALL OF JEAN M. AUDEL'S BOOKS! I READ CLAN OF THE CAVE BEAR FOR THE FIRST TIME WHEN I WAS ABOUT 13. THE BOOK ITSELF FOSTERED A DEEP LOVE OF PREHISTORIC FICTION IN ME AND I CAN'T WAIT FOR HER NEXT BOOK TO COME OUT

• I grew up reading this book and the others. My paperback finally fell apart and I am trying to get them all in hard back. I have read a LOT of books and even after all the years, this is still one of my favorites. You can connect with this story in so many ways which says so much about the author's writing capabilities considering the time this story is set in. There are so many instances in these novels where you read something and just have to sit back and go "wow", and sometimes read it again. The author has such a way about explaining some of the things that we just take for granted in a way that will captivate you and leave you hungry for more!
