REVIEW OF 102 MINUTES THE UNTOLD STORY OF THE FIGHT TO SURVIVE INSIDE THE TWIN TOWERS

- This is simply a fantastic play. The characters are fascinating, the events enthralling. I urge anyone interested in theater to read this book.
- When I lived in Munich, Germany a friend of mine gave me a pocket sized book of *Cat on a Hot Tin Roof*, written by Tennessee Williams. I was taking the train back to the Michaelibahn U-bahn, but I held on tightly to the pole, as he had cast his spell on me. Gore Vidal, a close friend and companion of his, wrote a preface to an anthology of short stories and started with his favorite, *The Man in the Overstuffed Chair*. Tennessee had just been fired from his contract in Hollywood after 6 months, and was going to stay a short while with his family. It was a story about his father, who worked as an executive, was an alcoholic, had his ear bitten off in a drunken brawl and was always in a foul mood. But this old chair they had acquired through moving was the only sense of comfort his father had; Tennessee never spoke with his father too much. But he said he was much like his father. Many of his earlier works would base characters on family or friends. In *The Man in the Overstuffed*

Chair, his father, mother, grandparents and his lobotomized sister, were in the mix. Moving onto the *Glass Menagerie*, Tennessee, his mother, and his sister, the one who collected the glass figurines, were the substance for his play. But the *Streetcar Named Desire* brought out something audiences had not seen before - the sexuality of the character played by Marlon Brando as Stanley. Sexuality was intense in this play. Blanch Dubois, Stella's sister, is a weak, tired woman; she is tired of trying to fight her past from following her, hiding her age so she can be eligible for marriage, becoming an alcoholic for her nerves and Stanley trying to pull her weak facade down. In *Streetcar* as in *Cat on a Hot Tin Roof*, there is an underlying hint of a man being a homosexual; in *Streetcar*, Blanche says that her husband was gay. Some people hypothesized that Tennessee wrote the best roles for women, as he was writing them for himself; Gore Vidal vehemently denied this attitude. He was definitely a man. I do not want to give the story away. It is intense, quick and full of emotion. I would recommend reading the play and seeing the film. The original title was, I think, had something about *A Night at the Poker Table*. Elia Kazan changed it to a *Streetcar Named Desire*. I read the plays first then watch the movies. I would definitely recommend buying the book. There are directions in the book that may be missing in the play. Plus, Williams always writes the best Prefaces in his works.
