- Great book for kids starting to swim. This book my daughter loved because she also loves water. The pictures are also very bright and colorful. Another

great book for kids starting to swim is below. Mommy and Me Go to Swimming Lessons Mommy and Me Go to Swimming Lessons Mommy and Me Go to Swimming Lessons

- The packaging allowed something to stab through the paper of the book and ruin the bottom of two pages. I repaired it with tape, but it could not be used by anyone but me. I will keep it however.
