REVIEW OF BOOK IT CAME FROM THE INTERNET GIVE YOURSELF GOOSEBUMPS

- Having grown up part of the time on a

ranch in Texas, learned to ride at five, I know the truth when I hear it. In case you are wondering I am on the shady side of seventy. This is as good a book about the " Old West " as you will find.

- Thoroughly enjoyed this book. As much as I like the movie I wish it had stuck a little closer to this version of the story.
