REVIEW OF JUNIOR CERT EXAM PAPERS EDCO

- I realize few people are aware of this excellent book - and that's a shame! It's in few libraries and available very reasonably priced, hard cover or soft cover. I own hundreds of creative textile books and this is in the top 10. It's outstanding. If you find one, buy it - you'll love it.

- Nietzsche's authorship of this work is in dispute. One reviewer claims Levy

would not sanction a forgery, but I find it interesting that Levy chose not to include it in the Complete Works of Nietzsche that he edited. I've read it, and whoever wrote it sounds a hell of a lot like Nietzsche. It's an interesting work whether or not it is authentic. I don't quite buy the idea that his sister

commissioned it since it does not make her look very good. It is possible that the motivation of claims of inauthenticity is a need to protect Nietzsche's reputation in the eyes of puritanical fans and that the work is indeed authentic, but it is also possible that it is a forgery (it sounds like him, but his style is easily parodied).
