REVIEW OF BORDERLANDS LA FRONTERA THE NEW MESTIZA GLORIA E ANZALDUA

- This is easily the best or second best book in the series (the other being book 2). Despite the hideous cover, this volume involves several fantastic storylines and has a phenomenal depiction of one character's near-destruction and return from the brink. Rand's character is captivating again by the end of this book. I see criticisms of the length of these books and the "endless" storylines. This is a vast-scale story of the struggles of a world on the edge of chaos; do you suggest this storyline is black and white, cut and dry?

- I have not read any of Ali smith's previous writing, nor had I heard of her previous to reading this book. I picked up this book solely because I saw that it was shortlisted for the Booker Prize together with Ian McEwan (one of my favourite authors).The concept of this book is interesting enough. We meet 5 main characters. Sara Wilby, the 19-year-old chambermaid. She was a very talented swimmer, and could easily have been testing for the national team. On one of her first days working at the Gobal Hotel, she bets with Duncan if she can fit into the dumbwaiter. She could, but she also plummeted to her death while doing so. Lise, she is the kind but slightly depressed reseptionist at Golbal's frontdesk. Else, or Elspeth, the homeless girl that Lise let stay one night for free. Else is usually begging outside of the Global Hotel. When she's not, she is wandering the streets, watching TV through the windows of other people's houses. Penny, a newspaper reviewer surveying the hotel, and Clare, Sara Wilby's grieving sister. Clare visits the hotel, determined to find out exactly what happened the day her sister died.Each chapter is written in a different style, some works better than others. The stream-of-consciousness narration reminds me of A. S. Byatt, but Ali Smith is not able to bring it to same level. The chapter where "&" is used instead of "and", well, that gimmick gets tiresome after a while. The first chapters were interesting, and my favourite is Else's chapter. But after a while, I got tried with the whole idea, and must admit that I was glad when I was finished

reading it. How this novel got shortlisted to the Booker Prize I cannot understand. I give it 3 stars because I really liked Else...
