REVIEW OF HIBBELER 12TH EDITION SOLUTION

- I also want to thank whoever went to the trouble to make this little gem available for free on the Kindle...the best read I've had in a while! So interesting; it flew by and I was so sorry when it was over. I feel like I know Elinore and I will miss her!

- So B. It is written by Sharon Weeks. It is a realistic fiction book. In this book Heide, a 12 year old girl, tries to figure out who she is. She is homeschooled by her agora-phobia neighbor, Bernedette. Heide lives with her mentally challenged mom that has a strange vocabulary. Heide goes on a long journey to figure out one of her mom's often used words, and discovers the truth. I encourage you to read this book if you are a girl between the ages of 10 and 14. It kept me on my feet the whole time.
