REVIEW OF HIBBELER 12TH EDITION SOLUTION

- This one was not a disappointment after a wonderful first one. This was just as good. It has stories of real emotions that teenagers have. It is written by teens for teens. It lets me know that others feel the same way I do, and it's great to know I'm never alone in the world.
- I really liked this book but it focused on the bad aspects of life

for too long. I really dont like reading about boyfriends breaking up with girlfriends and girlfriends breaking up with boyfirends.
