REVIEW OF AMERICAN HEADWAY SECOND EDITION TEACHER

- My now 14-month-old daughter has loved this book since we first read it to her at 9 months. She absolutely loves the illustrations, as well as the repetitive nature of the song/book. My daughter now signs the entire song, as do I. I love that she finds signing the song a great comfort, and sometimes signs it over and over as she is falling asleep. This book is a definite keeper to be loved and cherished. I can't wait to buy the rest of the books in this series! I hope they come out with many, many more.
- As someone who is starting an aerial photography business, I was pleased to see the work in this book. It has a wonderful collection of high quality images which are beautiful. Jason Hawkes has compiled a great collection of photos which are worthy of publication and I highly recommend this book to you.
