REVIEW OF NANDU PUBLICATIONS SYSTEM SECURITY

- two workers named george and lennie have been let off a bus miles from the california farm. the farm is where the two men are to work. george was a little man. he had great looks to him. lennie on the other hand was quite ugly to the exctent. he really didnt have any attractive looks. lennie has a mental disability. george is one of lennies idols. he means alot to lennie. he looks up to him and he relies on him to protect him and comfert him. later on in the story the book says that lennie likes to pet things that are soft and furry. most of the time he like to pet mice. but he ends up killing the because they bite him when he grabs them too tightly. he dosnt do this on purpose. usually people that have a disability, they are pretty strong. after they got doped of they found a ranch a few miles from the farm. they tryed to get a job there and they did. their job was to work in the feilds and feed the aninimals. after awhile things started to get alittle stured up. they made a reputation for them selfthe to got into trouble mostly lennie. a man named curly that worked there was not the nicest person that worked there. actualy lennie and curly got into a fight. lennie hurt curly by smashing his hand. lennie had went over the line and he got into trouble alot of trouble. george didnt want him to sufer. george put lennie out of his misery.over all the story was great. in fact i loved it! the story had a great build up to itself. alot of the building points were pretty shocking. the most shocking was when george killed lennie.i thought that it was pretty heart stopping at the moment. i really never thought that george would do such a thing. come on that was his best friend. this is a great book and i think if anyone would get a book get this one its great.

- This is an amazing book. I've read it dozens of times and it never fail to tug on my heart strings. I highly recommend this book to anyone who has a place in their hearts for a genuine classic piece of literature.
