REVIEW OF PROBLEM OF THE WEEK GRADE 6 ANSWERS

- I digested this book in two days. I couldn't put it down. The dialogue was delightful, very funny and witty. Cal is a wonderful character. I really enjoyed this book and can't wait to read Jennifer Crusie's other books. The secondary characters were also funny. This book is a real modern day fairy tale and I loved every minute of it. Jennifer Crusie's voice is here to stay. Also recommended are "Don't Call That Man", and "He Never Called Again."
- This book is so realistic and down to earth! It hits home in some many areas, yet it is dramatically funny! Once you begin reading this book, you won't want to put it down! It's an easy read and guaranteed to make you laugh and feel every emotion possible! It gives hope to every smart, energetic, and intuitive woman alive!
