people would agree with the claim that the passing of the National Minimum Drinking Age act was the responsible and moral decision to make. Since then, it has lowered drunk driving fatalities by 51% and the total of all traffic accidents by 20%. It has even managed to help make intoxication calls for hospitals less common.

REVIEW OF ARGUMENT PAPER LOWERING DRINKING AGE

- My experience with 100 Years of Solitude has been that people either love it or they absolutely hate it, but I'm apathetic about it. I had to read it for a world cultures class in college and not even the teacher could tell us how it was relevant to what the class was about. The repetition of the men's names makes for a very confusing story line, and the son that was born with a tail? Weird, to say the least. But apparently this book inspires a lot of people judging by the previous reviews. I would suggest that you read it if for no other reason than to form your own opinion about it.
- Like the others, above, I am amazed this book is not in print. It is on my "must read" list; my father read it to me, I read it to my wife and children, and I encourage lots of people to read it. The publisher who didn't want to reprint it must be the cousin of the guy who turned down publication of the first Harry Potter book.
