REVIEW OF BASIC ELECTRICAL ENGINEERING BY J B GUPTA PDF BOOK

- I have been a fan of Jennifer Crusie since Tell Me Lies, and this book is not up to the par of some of her other novels. Min is just so cranky that I can't imagine why Cal keeps coming back. I also thought that the secondary characters were not as well developed as some of the other novels - Fast Women, for example. In fact, Cal and Harry were the only two characters I really liked. Also, I don't know how Cal and Min could eat chicken marsala so often.

- I was starting to get a little worried. I thought "Fast Women" was so so and that "Faking It" was a near miss. Then there was that fall into the land of rereleasing. With "Bet Me" Ms. Cruise is BACK. This book is laugh out loud funny, unpredictable and very well written. I hope we don't have to wait three years for her next great book.
