With these pointers, you can discover the right Magic Sing Et9k Extreme Song Chip Song List publication recaps for your rate of interests and preferences. Happy analysis!

## **REVIEW OF MAGIC SING ET9K EXTREME SONG CHIP SONG LIST**

- Having read a number of pregnancy books, this is one of my two favourites (the other being What to Expect When You're Expecting by Heidi E. Murkoff, Arlene

Eisenberg, Sandee Eisenberg Hathaway). I did not read the book all in one go, but halfway through one month I would read the chapter as to what to expect the next month, and I did this for both my pregnancies. There was a lot of information about what could go wrong, but pregnancy, though natural, is fraught with dangers and I thought that it was good to include some of those situations. I did not think these parts detracted from the book, and I would recommend it to anyone.

- Will Moses' illustrated retelling of Washington Irving's The Legend of Sleepy Hollow rivals Arthur Rackham's near century-old version as the best edition of the book ever published.

The Rackham version, with its moody, archetypal illustrations, has the slight edge, as it contains Irving's full original text in addition to Rackham's spectacular artwork. However, Moses's simplification of the narrative is masterfully executed, and the colorful, playful, and numerous paintings which adorn the book have a warm period charm of genuine Americana. Moses portrays the Hudson River Valley as a lush expansive valley not unlike the Garden of Eden on the first day of creation. Happy farmers, their wives and children, cows, geese, ducks and pigs frolic together amid fields of wheat and corn; galleons approach dramatically from the river; and the

Catskill Mountains, sun, and sky suggested an infinite panorama and endless horizon full of promise. The story tells us that the Dutch colonists were a superstitious lot, and that the Sleepy Hollow region itself was or seemed to be under a spell of some kind. The farmers and their wives suspected witchcraft; strange music was heard in the air; visions were seen; and the inhabitants themselves lived their lives in a kind of continuous dreamy reverie. These tales and superstitions give rise to the legend of the headless horseman, said to be the ghost of a Hessian soldier who lost his head to a canon ball in the war, and now nightly prowling the region in search of it. Moses' nocturnal

landscapes of the swamps, hills and the Old Dutch Cemetery under a bright harvest moon are particularly effective. Significantly, these stark, haunted landscapes do not violate the spirit of the book, but enrich its sense of wonder. Moses' Ichabod is a cheerful but somewhat hapless fellow, confident and foolish in equal parts. His Katrina is a strong but innocent blond beauty, and a friend to children. Brom Bones is an appropriately square-shouldered, square-jawed hooligan, rowdy and full of mischief, if not absolute spite. Anyone familiar with the tale knows that it is not a horror story but a folktale, a fireside spook story, and a 'legend' as Irving, writing here as Diedrich Knickerbocker, himself called it. This edition of the book is appropriate for children but is equally suitable for adults. Highly recommended.
