#### **REVIEW OF JINSI YA KUENZISHA BIASHARA YAKO NDOGO NA IKAKUTOA**

- I enjoyed reading the book even though it is a bit dis-jointed the author tied it up in the final pages. The only thing I would have included are maps and better pictures. I kept my Atlas handy as I am not familiar with that part of the world. I have a friend in Caribou, Maine and have fond memories of the Anne of Green Gables books but have never traveled to the North East. I was moved to tears by the Rabbi and Ed Brake, also by Hannah's grief. I have prayed for her. I am reminded of the scripture in Hebrews that says, "don't forget to entertain/love strangers for by so doing you may entertained ANGELS". One never knows how far-reaching an act of kindness might be. Jayne in Tucson

- I've been wanting to read one or more of President Carter's books for a long time and decided to begin with this one. While I agree that it is well-executed in the main, it doesn't score higher with me on a few grounds. One: I felt there was a need for more fastidious editing. The book was by no means too long, but there was repetition and disordered content. Two: Way too much detail in some of the more mundane and unpleasant sections, in particular discussions of minutiae of small-town agribusiness dealings as well as graphic detail of livestock issues including slaughtering and castrating. TMI. Three: This is a half-hearted complaint, for I realize this isn't the book where these matters would likely be discussed considering the author has several other memoirs addressing other periods of his life (doesn't he?) In any case, I felt like the President did not discuss enough how his upbringing resulted in his being the man he is today as far as race relations are concerned. Lots of discussion about the relatively tolerant household in which he was raised, but lots of apology at the same time about how racism was ubiquitous at the time and not really perceived by his family or by others as a wrong to be righted. I don't know, I guess I'm rambling here, but I would have liked to have read content along the lines of "and these boyhood experiences shaped my perceptions in such a way that I wanted to make a difference in my public service career" and also I woulda liked to have read about how he connects his religious beliefs with his liberal leanings. Flesh out that relationship a bit more. Just my 2 cents. In any event, the book was a quick read and I am very glad I got around to reading it.
