## REVIEW OF MATISSE CUT OUT FUN WITH MATISSE ADVENTURES IN ART

- This is a true classic, and should definitely be in everyone's kindle library. I thoroughly enjoyed it and I look forward to re-reading it every Christmas!
- After finishing the original text of "A Christmas Carol" my 6 yo child was begging for me to read the story to her. When searching for a version which would suitable for her I came across a copy of the DK Eyewitness Classic at our local public library. It was a hit with our child! The text is a close adaptation of the original text. Throughout the book there are sprinklings of historical facts which are linked to the story through "eyewitness" encounters. At the end of the book is a historical section which deals with the particular time period the story takes place. Plus there is a full page biography of the author. This is a fantastic way to introduce your children to classic literature.
