A Coursebook for Reading Arabic News
Amer Univ in Cairo Press

An introductory media Arabic book for the elementary and low intermediate levels With the proliferation of satellite television news and social media

channels, students of Modern Standard Arabic (MSA) have access to an increasingly vast range of print and broadcast news from the Arab world. Media Arabic for Beginners is a unique textbook designed to lead elementary and low intermediate level students of MSA to a solid level of proficiency in the language of Arabic media. Through active engagement with authentic texts selected from a wide variety of news sources and websites, learners are familiarized with vocabulary, idioms, lexical items, and collocations, while grammatical concepts are introduced and explained in context. With sixteen texts accompanied by sixteen audio files and supportive PowerPoint presentations, this content-based approach allows students to develop and

enhance their reading, listening, speaking, and writing skills. Vocabulary and grammatical points are presented as PowerPoint slides, making for discrete and manageable learning targets. Media Arabic for Beginners is structured around four themes, each devoted to a dominant news topic: Official Visits and Talks; Elections and Referendums; Attacks and Explosions; and Demonstrations and Protests. Each unit is in turn made up of four lessons, each lesson featuring a text from a particular perspective together with pre-reading activities, reading activities, post-reading activities, and a section with particular focus on grammar. The texts progress from very simple to more complex, as students steadily increase their reading fluency. Each unit ends

with a thorough review section with various activities, such as comprehension questions, vocabulary translation, and role play.

REVIEW OF MEDIA ARABIC A COURSEBOOK FOR READING ARABIC NEWS ID559 PDF

- A friend shared with me that she enjoyed reading a book titled, "Panda Cake" to her children when they were young, which was written and illustrated by the author, Rosalie Seidler. Through

Amazon, I was able to find another children's book written and illustrated by the same author, "Grampus and the Venetian Cat". Although the book is out of print, a used copy was purchased, making a satisfactory present for the friend who is now reading to her grandchildren. I appreciate Amazon's ability to supply this kind of service.

- This book holds the best of mental and physical improvement, explaining what problems we carry from childhood into adulthood. They block our improvement and tie us to childhood instructions which severely limit us. Purchased at Amazon
