REVIEW OF EARN TO DIE 2 YH7RF GOTGROOVENOLA

- Although there is nothing extraordinary about this novel, it is fast-paced, interesting, and SWEET. The characters are well-developed and likeable, despite the momentary gender confusion established in the prologue. Also, because there is no extraneous matter contained in the plot, the book can be savored in just a few hours. Even though I prefer Patterson's Alex Cross mysteries and Women's Murder Club series, SAM'S LETTERS TO JENNIFER was a pleasant departure from the murder and mayhem, and as soul-satisfying as his other love story SUZANNE'S DIARY FOR NICHOLAS.

- The title of this book says a monumental truth. In virtually all societies, throughout time, BOYS are raised to be strong, and any variance of that is "A Problem". The Problem, however, is strongly rooted in the society a boy is raised. There is no common factor other than the basic issue that BOYS become MEN, and MEN RULE THE WORLD. Trustly boys are, in virtually all societies, ethnic and religious, economic and existential, boys are generally drained of their "emotional body" as they grow, and by the age which their social realm dictates, are honed into the male image of the culture they are raised. Far too many boys, over all the world, in all situations, are neglected EMOTIONALLY as they grow up, resulting in strong men who make up the warriors, regardless of their eventual position and place in life. It is all too common that the basic emotional needs of young boys are neglected, even refused, often brutally, in an effort to "make them strong". It's been going on since the dawn of time. As society fragments into far more complex expressions for both male and female role-models, something that has been changing since the Renaissance, boys, despite their diversification in potential, have generally been either brutalized into uniformity, or segmented, eventually compartmentalized into roles dictated by local moral, religious or financial revenues. "Raising Cain: Protecting the Emotional Life of Boys" tackles an age-old problem with great

insight, and while there are no common solutions, there are ways of thinking that can help raise boys in a way that is "Complete".
