REVIEW OF THE ULTIMATE PLAYBOY

- What else can you say? Mao Zedong put into practice the theory espoused by Bill Keane, and had the humility to acknowledge the giant upon whose shoulders he stood. Consider: "We

are confronted by two types of social contradictions -- Ida Know and Not Me. The two are totally different in their nature."And..."Our Family Circus must be extended all over the country and we must purposefully train tens of thousands of cadres and hundreds of first-rate leaders. They must be cadres and leaders versed in Keanism, politically far-sighted, competent in work, full of the spirit of self-sacrifice, capable of tackling problems on their own, steadfast in the midst of difficulties and loyal and devoted in serving the nation, the class and the Family Circus."Finally, in the introduction, Lin Pao tells us how to properly use and study the Keanist Family Circus:"

In studying the works of Bill Keane, one should have specific problems in mind, study and apply his works in a creative way, combine study with application, first study what must be urgently applied so as to get quick results, and strive hard to apply what one is studying."

- This book Red Storm Rising starts out really slow and boring but then out of nowhere it grabs you (and draws you) into the action. None could have described world war three better than Tom Clancy. The way he jumps from one person and place to another to cover several different theaters of the war at once is absolute genius. This book keeps you on the edge of your seat

throughout the book. You never know what is going to happen next. I can hardly wait till they make a movie about this book.
