Ryan, Sharon Eve Sarthou, Jenna Sciuto, James Smethurst, and Jay Watson At the turn of the millennium, the Martinican novelist Édouard Glissant offered the bold prediction that "Faulkner's oeuvre will be made complete when it is revisited and made vital by African Americans," a goal that "will be achieved by a radically 'other' reading." In the spirit of Glissant's prediction, this collection places William Faulkner's literary oeuvre in dialogue with a hemispheric canon of black writing from the United States and the Caribbean. The volume's seventeen essays and poetry selections chart lines of engagement, dialogue, and reciprocal resonance between Faulkner and his black precursors, contemporaries, and successors in the Americas. Contributors place Faulkner's work in illuminating conversation with writings by Paul Laurence Dunbar, W. E. B. Du Bois, James Weldon Johnson, Jean Toomer, Nella Larsen, Claude McKay, Ralph Ellison, James Baldwin, Ernest J. Gaines, Marie Vieux-Chauvet, Toni Morrison, Edwidge Danticat, Randall Kenan, Edward P. Jones, and Natasha Trethewey, along with the musical artistry of Mississippi bluesman Charley Patton. In addition, five contemporary African American poets offer their own creative responses to Faulkner's writings, characters, verbal art, and historical example. In these ways, the volume develops a comparative approach to the Faulkner oeuvre that goes beyond the compelling but limiting question of influence—who read whom, whose works draw from whose—to explore the confluences between Faulkner and black writing in the hemisphere.

Two of his sons won't be home to greet him: Warren lives a life of alcoholic philandering down in Alabama, and Boyd has gone to Detroit in vengeful pursuit of his wife and the peddler she ran off with. His third son, Brady, is still home, but he's an addled soothsayer given to voodoo and bent on doing whatever it takes to keep E.F. from seeing the wife he abandoned. Only Fleming, E.F.'s grandson, is pleased with the old man's homecoming, but Fleming's life is soon to careen down an unpredictable path hewn by the beautiful Raven Lee Halfacre. In the great Southern tradition of Faulkner, Styron, and Cormac McCarthy, William Gay wields a prose as evocative and lush as the haunted and humid world it depicts. REVIEW OF THAT EVENING SUN FAULKNER

- A fascinating read. The author has a bit of a hobby in collecting examples of 'Pink Think,' or, paraphernalia which encourages women to do groom themselves to be appropriately girly to fulfill their potential (i.e., how girls were brainwashed for decades that their only goals in life should be to snag a husband and to find their true happiness in motherhood).It's enraging and yet at the same time strangely intriguing to read about books, magazines, advertisements, games, television shows, movies and more were so often geared toward steering a woman to be a certain way.Strange details include how women were encouraged to be 'fresh' from douching with disinfectants to childhood games where the goal was to get the perfect date to how a woman only achieves true sexual satisfaction after she had fulfilled her destiny of marrying and having children. On top of that it details how girls were encouraged to always dumb themselves down in front of men to flatter their egos, and the author even provides quizzes published decades ago in magazines to test girlishness or career woman potential.Any modern independent woman will be both shocked, amused, angered and more than likely grateful that so much progress has been made (even though we're still encouraged in many ways to continue to 'think pink'). Just open up a woman's magazine and see the advertisements for pink feminine hygiene products and diet aids, among a million other self-improvement articles. It's great to see a book like 'Pink Think,' however, to realize how far we've

come along.

- I have only just discovered this disorder and have been reading voraciously anything I can get my hands on regarding BPD. This book absolutely amazed me. I think that the chief importance is the

picture it gives of the therapeutic relationship and showing readers what it is like to go through intensive psychotherapy (at least 3 times a week) as well as being hospitalized and what that's like. The author's honesty, and her long and gradual struggle towards the light also gave me hope that this awful thing can actually be beat, and, at that, transcendingly.
