### **REVIEW OF GET A LIFE NADINE GORDIMER**

- Hey! WELL, I read this book for my humaties clss this month! And it was a great book! First it sounded boring but it got so interesting afterwards! I recomend this book to anyone who likes scince fiction. But I think that anyone can enjoy this book!This book is about a boy named Jonas. He has a little sister named Lily. His father is a nuturer. Well, Jonas lives in this DIFFERENT community. It seems very weird to me. Like one thing is that no one in the community is allowed to ride bicycles until they are a Nine(nine years old). Isn't that weird? WELL, in this book, you will find many interesting rules and things happening in thi small but exciting community.Have fun reading this book!

- I read this book in the 5th grade, nearly 10 years ago, and I still remember everything from the book. This book is absolutley the best book ever written, it tops the Potter books, lord of the flies and any book that can be thought of as a litterary classic. You will absolutley enjoy this book!!!
