Keep in mind, reading evaluations can assist you make notified choices concerning what to read following and can subject you to brand-new authors and categories you may not have thought about in the past.

### REVIEW OF PROAKIS DIGITAL SIGNAL PROCESSING 4TH EDITION SOLUTION

- While Betty Smith's *A TREE GROWS IN BROOKLYN* will never rival Henry Roth's *CALL IT SLEEP* for so-called high-brow literature, the two books have something in common: pluck. In the eminently readable *A TREE GROWS IN BROOKLYN*, Smith shows it to us in the Nolans--a half Irish-, half Austrian-American family at home(s) in Williamsburg, Brooklyn. In *CALL IT SLEEP*, Roth uses stream-of-consciousness alongside narrative descriptions of squalor and depravity on the Lower East Side of Manhattan to show us--if you'll allow a clunky metaphor--an alternative definition of pluck: namely, "the heart, liver, windpipe and lungs of a slaughtered animal" (American Heritage Dictionary). Is it fair to say that one novel is better than the other, that one writer is more accomplished than the other? I think it is. Henry Roth wins hands down. If Roth's novel deals with depravity, Smith's deals

with deprivation. The difference between Roth's David Schearl (the beaten young "hero" of *CALL IT SLEEP*) and Smith's Francie Nolan (the coming-of-age heroine of *A TREE GROWS IN BROOKLYN*) is no less than that between resignation and hope. On Manhattan's Lower East Side in the first two decades of the last century, 'hope' would've been a cynical sluice to the East River and its pollutants. In the Williamsburg ghetto of the same period, 'hope' would've been the only dyke keeping that same river and its pollutants at bay. Hope, for the heroes of both stories, is just a well-appreciated resting place along the way to resignation. If there's any similarity between the two novels, it's to be found in Chapter 43 of *A TREE GROWS IN BROOKLYN*. This--at least to \*my\* way of thinking--is where Betty Smith's prose shines with a brilliance equal to Roth's. Why, then, would I here suggest that Roth is the better writer? In deciding upon the virtues of the harp or the lyre versus the trombone or the tuba, first consider the player--as much the reviewer as the author. I find that Roth takes me deeper into his characters and into their immediate circumstances while Smith tweaks me as a reader. For my money, she's a bit too heavy-handed in jerking the obvious tear. Would I read either or both once again? Unequivocally, yes. I've already read *CALL IT SLEEP* twice. I may one day invest in a second reading of *A TREE GROWS IN BROOKLYN*. If, in a word or two, I had to characterize the two novels, I'd say that *CALL IT SLEEP* stretches the brain cells while *A TREE GROWS IN BROOKLYN* tugs at the heart strings. Either way, you can't lose. But what do \*I\* know? *CALL IT SLEEP* had to wait thirty years to find an appreciable (and appreciative) audience; meanwhile, *A TREE GROWS IN BROOKLYN* was an instant success. Is there a more fitting--and telling--tribute to the American myth? Ms. Smith, meet Mr. Horatio Alger.

- My daughter had to read this for her Honors English Class. She says it's interesting, but a little weird. Big problem was that it was missing pages 307-338! Amazon has been notified.
