REVIEW OF DOWNLOAD ON DIRECTING FILM DAVID MAMET PDF

- This story is basically about the struggle to overcome adversity. It chronicles the childhood of Francie Nolan, a very wise girl, mature past her years, who grows up in the mean slums of turn-of-the-century Brooklyn, New York. In spite of quite a terrible childhood, filled with indignities, unfairness, and pain, Francie is determined to succeed, so that she may rise up above her surroundings. Although

she must leave school before getting to high school, to work in a factory, she fights her way back to an education, eventually making it to college and out of Brooklyn. Francie's fight out of the slums is truly inspiring--like the "Tree of Heaven" that grows out the broken cement of the sidewalk, she fights through setbacks and never gives up. What I found to be especially wonderful was the fact that Betty Smith made no character all good or all bad. This enables the reader to feel what the character is feeling, and understand their motive in doing what they do. Thus the story is felt and experienced on many different levels and in many different ways. I really

love this book and I would recommend it to everyone.

- I loved this book...I bought this in Oregon at Powell's Books a few years ago on sale and I thought the writing was fantastic as well as the reader (Kate Burton). She was able to do so many accents for various characters and they sounded so good! This is how much I was a fan...when I first bought it, CD #11 didn't work...there are only 12 CDs so I was so frustrated. I really wanted to finish this with the reader I had started with! I call Powell's and they sent me a new set...and of course CD 11 didn't work. I ordered it off Amazon, and CD 11 didn't work. Finally, I called the publisher and begged and pleaded not just for a

replacement but for someone to ensure that CD 11 worked before it came. They sent it for free and FINALLY FINALLY CD 11 worked and it was worth it. So yes, now I have 4 copies of this audio book which is a bit crazy, but hey, it was a great book!
