## REVIEW OF WASHINGTON BEER A HEADY HISTORY OF EVERGREEN STATE BREWING AMERICAN PALATE

- I bought this manual because I was applying for a Public Safety Dispatcher position. I scored a 98/100 on the test, and it's because this study guide was more thorough than the actual test. It gave me a great idea of how to prepare for the interview too, highly recommend!

- If you are a Zappa fan or not, you must read this book. It is only 14 dollars list price, and if you can't buy it, go to a library and read it. If you read with an open mind, [or even if you don't] it will change the way you look at certain things. A real gateway to logical living. For the music fan, there is PLENTY to keep you busy with, FZ had one of the most unique musical styles of the 20th Century and is viciously underrated. Listen to his less popular stuff and you will know what I mean. For the non music fans (is there such a things?) FZ and MR. Occhiogrosso put together a simple logical text that is a must read.
