REVIEW OF USER GUIDE APS5

- While the book was fun and exciting for my child, the actual book was torn to shreds. The quality did not meet expectations.

- This is one of the most remarkable book I've ever read ! Matilda is a book reader. Amazingly bright and started to read at the age of 5. When she entered her school, she helped Miss Honey, her teacher to get back her propeties, wages and what not from her aunt, Ms. Trunchbull. You'll never believe it ! But, she has a magical power that helped her a lot with her mission. It's cover is kinda dull. But I can assure you that you'll love the contains. You'll probably read it over and over again like me !
