## **REVIEW OF CPSWQ EXAM REVIEW STUDY GUIDE**

- I Love the writing of Jennifer Labrecque. She captivates the reading with sensuality and laughs through the whole story. In "Really Hot", "Rourke" the bachelor of a reality show falls in love with the wrong person: the producer Portia. Though he was surrounded by 12 beautiful women he only wanted the prohibited one. With seduction and persistence he finally gets her into his sheets and then the story gets hot, really hot..... If you love passion and sexuality you have to read this one. I bet you loved it. Hilarious story, definitely have to read it
- There are indeed 1,400 stories, anecdotes, witticisms and on-lineers in this work and some, very few, are even sort of cute and funny. The biggest problems I have with this work is that for the life of me I cannot see how the work within this book has anything to do with country, much less the Ozarks. I suppose there may be a few that relate, but you certainly have to dig for them. On the other hand, there are some nice lines that would indeed be useful to speakers, etc. Maybe this was just my cup of tea, you might quite well enjoy it.
