REVIEW OF INTERNATIONAL TRADE LAW INTERDISCIPLINARY THEORY AND PRACTICE DOCUMENTS SUPPLEMENT

- Although the best of Paul and Hollace Davis' first trilogy, Zorba the Hutt's Revenge provides even more of the same as the style is made to entertain people, but not be a significant part of the history of Star Wars.

- Learning all the history Frank Zappa and the Mothers went through was outstanding. The last chapter got a little preachy, but I never stopped laughing throughout the entire book. I'd think anyone that wants to know not only the "how" it was done, but some of the experiences along the way, are priceless to hear about.
