## **REVIEW OF THE MEMORY BOOK A NOVEL**

- KKR was the first name I heard while researching the Private Equity marketplace for a college paper. It also became the name heard mostly afterwards and rightfully so. Jerome Kohlberg, Henry Kravis and George Roberts are obviously extremely smart and confident guys, fortunately the book

exhibits moments of vulnerability; which is helpful for any financial entrepreneur. The only shortfall is that the book isn't longer. I was excited while reading some of the chapters, keep in mind that this is a finance book not the Lord of the Rings. This book is terrific. Enjoy

- If you want to start making your own manga you must buy this book. It tells you everything you need from toning and the kind of ink that's best the materials that you need an bla bla bla. You get the idea.
