REVIEW OF ADVANCED ENGINEERING MATHEMATICS JAIN

- When I first read this novel, directly after reading Cat's Cradle, I was disappointed. There was something there that I felt that it lacked. The normal Vonnegut wit and humor only surfaced

momentarily. But after much recollection about this, I feel that it is indeed a truly tremendous and well thought out story about a man discovering his own inhumanity. I highly recommend this novel to the experienced Vonnegut reader, others should be weary. (Also see the movie! A great

adaptation.

- Of all the books I have read, this is my favorite. I am looking for this book in hard cover
