## **REVIEW OF CBAP CERTIFICATION STUDY GUIDE LARSON**

- Too bad Capstick only lasted as long as he did. Ruark was also an early departure: hard to figure when big game hunting is such a physically demanding pursuit. Same to be said for Mike Mentzer, a former Mr. USA Bodybuilder

(Mr. Heavy Duty), who died of a heart attack @ 50. This probably proves a genetic link.

- The Kindle format makes it easy to read. As I use this classic as a source of quotes, I find Kindle the best medium for reading it, and a PDF the best source for copying passages to include as references in other works. Amazon's price is so low that there is no question of value. Just getting it on my Kindle, in a format more useful than PDF, makes it worth the price. Also makes it not worth my while to look for free ebooks, which I'm sure are available. Just as Steve Jobs hit the magic price point with \$1 per tune on the iPod, Amazon has found it here. I also recommend John Stuart Mill's autobiography. As an extraordinarily precocious child he knew his father's

friend David Ricardo quite well, also Adam Smith, and traces the personal  
Jeremy Bentham, Hume, and many other relationships among this exceptional  
leading lights of the era. He knew of group of men.
