Download and install Solex Choke PDF cost-free and improve your knowing experience!

REVIEW OF SOLEX CHOKE

- I enjoyed this edition, I am happy with the endnotes and the inclusion of the original ending.
- Who knew that a book written almost 150 years ago could be so great? Not me. Granted, part of the reason I enjoyed this book so much was

because I had expected it not to be (A Tale of Two Cities is still collecting dust on my bookshelf). The writing is flawless; characters, wonderfully varied; and plot, save an occasional feeling of contrivance at the almost uncanny character interconnections, spectacular. Pip, an orphan, lives with his 20 plus years older sister Georgiana "Mrs. Joe" Gargery, an unhappy woman who "rampages" on him and her blacksmith husband Joe, a simple, kind man. During an unexpected encounter with a shackled escaped convict, he is coerced into helping the man to prevent bodily injury to himself. It's not the last the boy will see of him. Pip is later asked to visit an eccentric woman (having been left at the altar by a scheming fiancé), where he encounters the beautiful but cold Estella, a future love interest, and several other central characters. Eventually an anonymous donor provides monetary help to Pip hoping that it will facilitate his becoming a gentleman and a scholar. But as his financial situation changes from meager but adequate to one of relative wealth, his personality transforms from kindhearted and unpretentious to inconsiderate and snobbish. Only through the adversity that follows his attempt to fulfill the expectations of his benefactor does Pip learn some important life lessons. Also good, Mr.

Pip by Lloyd Jones (wish I hadn't read it before GE), An American Tragedy by Theodore Dreiser, and The Woman in White by Wilkie Collins.
