## **REVIEW OF NATIONAL MARINE WEATHER GUIDE BRITISH COLUMBIA REGIONAL GUIDE**

- Little Britches: Father and I Were Ranchers was written many many years ago but the values presented in the book are the bedrock of fine families. The story is simple but holds the attention. It is one of the finest of all of Ralph Moody's books. As his niece I can verify that much of the story is true and although all of the family, his siblings that is, has now passed on, the story is worthy of a long life.
- We are not alone in the Universe: there are at least 200 planets in our Galaxy inhabited by highly developed extraterrestrial civilisations, according to Michel Desmarquet. This new book is a

true report of Michel Desmarquet, from Cairns in Northern Australia, who physically visited one of the 3 most advanced planets in our Galaxy and lived there for several days. This book will amaze and surprise anyone, who dares to read it - including scientists. "One of the things we do best on Earth is to doubt everything and everybody, except of our own ignorance. No matter how much we defend our current beliefs, doctrines and traditions, nothing can change the TRUTH and the order established in the Universe", according to independent researcher Dr. Tom J. Chalko of Melbourne, Australia. Dr. Chalko further says that this book is one of the most important books in the last 2000 years of our civilisation, because the extraordinary comprehensive information and invaluable advice it contains for us on Earth. The book is loaded with information of exceptional quality and accuracy. The author, Mr. Michel Desmarquet claims that the advanced people from planet Thiaouba in Pleiades who chose him to be their messenger and provided the information to him, are millions of years ahead of us in conscious and technological evolution.
