REVIEW OF BLUE EYES TECHNOLOGY ADVANTAGES AND DISADVANTAGES FILETYPE PDF

- Jake's wife, Racheal, has died in a car accident. Before her death, the two of them had been going to a fertility clinic. When he finds out that his "deposit" has been used, a baby born to someone, he must find them, both...Jake goes to the home of Annie, a rancher, a tea-leaf reader, a mother, but not a wife...At first there is antagonism between Jake and Annie. Eventually, there will be a friendship, a romance. These two characters are opposites--Jake, a "stuffed-shirt" type, and Annie, a "kook". Somehow, though, you see them working together for Madeline's sake, (Baby), and maybe, each other, too.The cover of this book made me think comedy. Yes, there are funny moments; but, the subject is a serious one. Also, there's a sweet secondary romance, that held my interest.One of the things I liked about this book is the origin of the title. When you read about it, you will understand what I mean. Something I didn't like was a bit of the comedy directed at the villainess. Maybe a bit too "slapstick" for me. However, this book really was a pleasure to read.

- I tought dis was claaaaaaasssssssssssssssssssssssss!! Joyce, he be rockin'! Wot he done wit' words was just deadly!!
