### **REVIEW OF THAKUR MBA NOTES**

- Longman's commentary on Proverbs is simply great. The introduction alone is worth the price. He takes what could be a dry academic work and makes it interesting and readable. His

explanations are understandable, his scholarship outstanding, and the topical appendix is wonderfully useful as a teaching resource.

- A psychic is one through whom the spirit world speaks. To define Mr. Karos as a psychic may conjure images of late night hotlines, however, his poetry frees the voices from the souls of a generation, the lost generation. His accuracy makes me uncomfortable with the

truth in his words and I wish to close my mind to this provocation. Yet his seductive metaphors and images draw me into reading further. We are left to question how he sees, hears and smells the spirits around him and how he bears the burden. But since he speaks without prophesy, I become queasily aware that the burden is mine. He exposes the secret reach of circumstance into the ethereal, do you wish to know?
