The special narration style, relatable characters, and story spins make it a worthwhile enhancement to your bookshelf. So, if you're looking for an exciting read, 7 Secrets Of Confidence By Steve Miller Paperback is absolutely worth taking into consideration.

REVIEW OF 7 SECRETS OF CONFIDENCE BY STEVE MILLER PAPERBACK

- NO! This is not a vapor book. It contains most of what you'll want to study but, you'll more than likely need some exam questions (ie.. like Trancender) to go along with it.END
- I'll give you my favorite quote. Will Ladislav, a devoted admirer of the book's lead- Dorothea, is caught by her in what appears to be a precarious situation with another woman (I won't reveal who). This woman flippantly tells Will he can follow Dorothea (who fled the scene), and "explain his preference":'He found another vent for his rage by snatching up [her] words again, as if they were reptiles to be throttled and flung off. "Explain! Tell

a man to explain how he dropped into hell! Explain my preference! I've never had a PREFERENCE for her, any more than I have a preference for breathing. No other woman exists by the side of her. I would rather touch her hand if it were dead, than I would touch any other woman's living." Quick review: one aspect of this novel is about unwise choices in marriage, HOWEVER, this novel is NOT anti-marriage (as the most popular positive review seems to allude). In fact, at its core is the idea of marriage for love and, in several cases, this novel exemplifies the need of pushing through trials with your spouse (Lydgate, Garth, and even creepy Bulstrode). No character walks away from their marriage in this novel, and

ultimately it has happy endings. What I love most about Dorothea is that she LEARNS throughout the novel. That she changes. In the beginning she is prudish, opinionated, and spurns romance to marry a man under a disillusioned ideal it will broaden her usefulness. At first I didn't care for her, I liked her sister better (who becomes somewhat silly later on). Through her trials, Dorothea softens. She is humbled. She sees the value in others and spurns vicious gossip and judgments. By the end of the book, my opinion of her has managed to rotate 180 degrees. I've already said more than I intended, but I hope you give this novel a chance.
