REVIEW OF IVECO EUROTRAKKER CURSOR 13 SERVICE REPAIR MANUAL

- I don't read many mysteries. This one was a good read. My friend was in the play adaptation and had told me the story. I was glad to know the end from the beginning but even then, I was still taken off guard by a few things. The author's description of England was spot on. It really took me back to the time's I spent there. I enjoyed the story but I really wished the author would not have used the Lord's name in vain so much. It is always completely unnecessary.

- This is one of the best books I have read in a long time. This is my first Stephen King book and I was very impressed (after watching the movie *The Stand*, you would get worried to). I bought it over Spring Break and read it in less than 3 weeks, and that says a lot because I am an incredibly slow reader. Now, to the story. It starts out with about 30 pages of exposition, getting you to know and like the characters in the story--Pete, Henry, Beaver and Jonesy, all of which have quite a few problems. The four of them get together every year to go hunting at Beaver's cabin. But then one day Jonesy gets hit by a car. Despite this, they go to the cabin anyways, just the four of them. Henry and Pete go to get food, and Jonesy and Beaver stay at the cabin. Due to his leg, Jonesy stays in a loft in a tree. He thinks he sees a deer and nearly shoots it when he realizes it is a person, then the story explodes. This is a must read that I recommend to anybody.
