## REVIEW OF GENERAL DEFENCES IN TORTS LAW NOTES WITH CASE LAWS

- GREAT!!! Road To The Majors is an amazing book about a boy with a dream. It is about a boy named Jimmy Hanks, he is from California, he surfs like a lot of the people from his town but he wants to play soccer, until someone changes his life. Nick Erickson was one of Jimmy friends in high school. One day Nick was at Jimmy's house and convinced him that baseball was his sport. Jimmy always liked baseball but never wanted to be in the MLB (Major League Baseball). From then it is a great book about his struggles to make it to the MLB.If you read this book I would love to hear if you liked it or not. I hope you find my review helpful and if you like baseball this is the book for you.

- Practical Magic is an amazing book and way better than the film adaptation. Like many, I discovered the film first and thought it was adorable but the book is on a whole different level. I've recommended this book to many of my friends and I haven't had any negative feedback yet. However, having an interest and/ or acceptance of the world of natural magick may possibly be the key to fully enjoying and even relating to the book. I just wish they would make another movie that follows the book version more closely.
