## REVIEW OF STRATEGIC MANAGEMENT COMMUNICATION FOR LEADERS 3RD EDITION

- After all the decades of my life, I have found the perfect cookbook. The recipes are simple, but it is all in the doing. For example, the way to prepare a pot roast is clear and very simple, but it is all in the way to do it which leads to the best ever pot roast that I have made five times now. The amount of cholesterol in this book may make you blanch, but cover the eyes of your doctor and just do it. Eat lots of salad in addition as penance and you can get away with the wonderful recipes of this book from the 40's.

- I've made several recipes from the 4-Ingredient Dinners cookbook and all have been well received. Tonight my kids lapped up the Breaded Pork Chops prepared using Bisquick, saltine cracker crumbs, salt and pepper, egg and a bit of water. The pork chops turned out tasty and relatively healthy since they were cooked over medium-high heat in a nonstick skillet sprayed with nonstick cooking spray. I am already planning to buy several copies as Christmas gifts.
