The special narration design, relatable characters, and story spins make it a worthwhile enhancement to your shelf. So, if you're seeking a captivating read, Cognos 10 Active Reports Manual is most definitely worth considering.

REVIEW OF COGNOS 10 ACTIVE REPORTS MANUAL

- If you like romance novels, especially those set in the Highlands this is a very good book. It might do for a Diana Gabaldon/Outlander fix, but in no way would I consider these two books or authors as equals. While it is a fun and funny tale to read, I would not consider it well researched or historically accurate. Anyone feel free to correct me if I'm wrong but:1. I

believe women in the middle ages always kept their hair well braided and covered, it being quite scandalous for any man but your husband to see your hair loose. Yet throughout the novel Gillian's hair was always flowing free.² There was constant mention of the Scots speaking English instead of gaelic to accomodate Gillian, who spoke English. If I'm not mistaken, the "English" nobility of that period were still Normans, and thus spoke French. That being said, it was still a good read. It's a bit confusing at the start, the way the author bounces around in the past/future in setting up her story and characters -- especially the part between Gillian and Alec hanging literally by a thread -- I couldn't figure out what was going on, but it made sense the second time I read the book. I loved Brodick (sigh) and Gillian, both strong and stubborn and undeniably attracted to each other. With the exception of Jamie Fraser in Outlander I think Brodick is right up there as my all time favorite hard-headed stubborn hero in a kilt. The banter was fun, especially between Gillian and Brodick's guards. Downside -- not enough between Ramsey and Bridgid and sorely missing was an epilogue. After all the hoopla about how the Buchanans lived like Spartans I very much wanted to read about their return to Scotland and how Brodick's clan

accepted Gillian. Lastly, and not to criticize the author but a HUGE THUMBS DOWN on her publisher, Pocket Books. Every Garwood book I have read has had at least one serious typo. Several of these books have been reprints, so you would think the publishers would catch them and correct them but apparently not. In this book, I found Gillian printed as Gilliam and Brodick printed as Broderick. If I recall that was in the same chapter. A bit distracting to the story to misspell the main character names. Another expample was Murder List, where the H&H; and going for their first kiss and she grabs his jacket lable instead of lapel. LOL.

- This book was great! I enjoyed every moment, and actually read it twice. Gillian is a strong character, and is a perfect fit for Brodick. In the first book that featured Brodick, "The secret", I did not think much of the character. He seemed gruff and slow-witted, in this book. J.G. builds a splendid well-developed character, which makes you want to swoon. If you like your men strong, kind, protective yet not overpowering- this book is for you. The storyline is intriguing and suspense holds until the end. In a nutshell- BUY IT NOW! Its one the best and I've read many, it takes a really good book to get me to write such a review. While you're at it- get the first book to, and read them together.
