REVIEW OF THE ELTON JOHN PIANO SOLO

COLLECTION PIANO SOLO PERSONALITY

- I had basic Greek down about 10 years ago & what you don't use.... These disks are good for basic "how are you" type conversation. They are very repetitious which can be nerve racking the first lesson is hi; I understand Greek/English; I don't understand Greek/English; miss/sir...the second lessons is the same along w/ the third which also changes what you just learned

into masculine/feminine. They also have different pronunciations that what I already new which is just a dialect issue. I gave them to my friend and she seemed to like them as well for a refresher. Would I learn if I didn't know any Greek? Definitely

- Don't bother wasting your time with this book. Would have rated this a ZERO if possible and unless Patricia Cornwell dramatically improves this is certainly the last book I will be purchasing written by this author.
