Overall, our evaluation of Std 10 Maths Question has actually provided us with an abundant understanding of the narrative and its literary possibility. We extremely advise this book to readers that are looking for a provocative and psychologically impactful read.

#### **REVIEW OF STD 10 MATHS QUESTION**

- I loved this story from start to finish. The tension between Dex and Caitlin, the history that the two share. The tears and joy all flow into a great, touching and moving story. I thoroughly enjoy all of the books by Ms. Jackson, especially the "Madaris family" stories. Whispered Promises is an excellent read, I highly recommend it to all.

- I have to make a confession up front. I'm not a big fan of John Updike. I've read the first two Rabbit books, and I'm not impressed. The writing is excellent. The prose is fine and moves the story along. I don't mind an unsympathetic protagonist, I really don't. There is just something in the character of Harry Angstrom that made me dislike the book...Perhaps there is greatness in this book. I wouldn't doubt it. I didn't find it, though. It has been said that people have two choices. 1. To act. 2. To not act. Even through inaction, people are making a choice, setting themselves down a specific path from which they refuse to leave. This is what Rabbit Angstrom does. His crime is not that he is a bad person, his crime is that his inaction and personal irresponsibility causes more harm than if he intentionally set out to hurt. This novel is an excellent character study. It examines motives and truths about Harry Angstrom as Rabbit acts, thinks, doesn't think, and doesn't act. Rabbit, Run works as a character study novel. It is an extremely well crafted one at that. One more thing: All the technical craft in the world can't make a person like a book. Rabbit, Run is a book I felt I should read. So I did. It is also a book I have no intention of reading again.
